

BETHLEHEM, PA., WEDNESDAY AFTERNOON, OCTOBER 23, 1889.

### **The Evangelical Cemetery.**

The main entrance to the Evangelical Cemetery, on Goepp Street, is reported to be in a dangerous condition. The steps over the fence and their supports are well worn and rickety and are unsafe. This memorable "acre" is visited a great deal by our people and there have been numerous complaints of late of the dangerous condition of the entrance steps.
